

**Why do you think that Harry and his brother were excited about going to the zoo?**

**How would you describe the elephant house?**

**Why do you think the tiger was just pacing up and down the side of the cage?**

**Why does the boy telling the story not find the penguins interesting?**

**Why does the boy telling the story think that the polar bear looks stupid?**

**How do you think the orangutan is feeling?  
Why?**

**When mum says '*I don't think that the zoo really is for animals*', what does she mean?**

**What was the boy telling the story dreaming about?**
